

"...we speak for air conditioning..."

Managing Hot Works

This course examines the Legislation, Regulations and Standards involved with doing hot work. It includes practical controls during or after hot works. It also examines other welding risks and control measures.

NOTE: This course has an assessment component

Presenter: **Kevin Hummel**
TaPS (Training and Performance Solutions)

Location: AMCA NSW
Level 5
Suite 501
5 Rosebery Ave
Rosebery

Date: Refer to the AMCA NSW website for details (www.amcansw.com.au); or
