

"...we speak for air conditioning..."

Safety Testing & Inspecting Electrical Equipment

This course shows you how to use a portable appliance tester (PAT) in accordance with AS3760, the regulatory authority code of practice and the act and regulations. Participants can be trained used their own PAT or use the trainer's (Kyroitsu 6201A). The devices are available for purchase on the day.

Note: you will need at least one tester in your workplace. BSA Instruments can supply these at \$900 (GST exclusive).

Presenter: **Ron Daley**
BSA Instruments

Location: AMCA NSW
Level 5
Suite 501
5 Rosebery Ave
Rosebery

Date: Refer to the AMCA NSW website for details (www.amcansw.com.au); or
Receive the AMCA-AEA-NFIA Learning and Development Newsletter
(martin@amcansw.com.au)
