

"...we speak for air conditioning..."

Senior First Aid

This flexible delivery combines classroom-based training with individual online learning to deliver essential principles, skills and knowledge for you to manage emergency first aid situations. This course will teach resuscitation, as well as the treatment of infection, shock, fractures, bleeding, burns, suffocation, excess heat and excess cold.

Trained by the Australian Lifesaving Academy, Participants will receive the nationally-recognised, WorkCover-approved Senior First Aid Certificate, as well as a complimentary First Aid Kit.
