

Height Safety Awareness

This is absolutely essential information for anyone working at, supervising or managing working at heights. Understanding the dangers and hazards of working at heights, with the surrounding legislations and standards. Though in a classroom setting, the course includes a practical segment where you will experience the use of harness and connecting hardware. Trained by the NSW Fire Brigade Association, Participants will receive a nationally-recognised 'Statement of Attainment'.

Presenter: **Ian Hamilton**
ComSafe (NSW Fire Brigade Association)

Location: AMCA NSW
Level 3
Suite 304
51 Rawson St
Epping
